

# WHITTIER CENTRAL LIBRARY RENOVATION CAMPAIGN

*Our Next Chapter*

# HONORING THE PAST

The idea of providing access to knowledge was most likely on the minds of Whittier's founders because they established the first public library in 1900, just two years after the city was incorporated.

In the 120 years since, the Whittier Public Library has supported literacy and promoted an educated and informed society. Whatever format readers enjoy, the Whittier Public Library provides an abundance of resources.

The Whittier Public Library Foundation is embarking on a campaign and we would love to have you join us. Your financial contribution is greatly appreciated and gives us the opportunity to renovate our library for future generations to enjoy.

# INVESTING IN THE FUTURE

People are counting on Libraries now more than ever to provide the resources they need to succeed. Our library is both a physical structure and a virtual gateway serving our community. The City of Whittier recognized the need to renovate the physical structure to better reflect the modern uses of the library. While much of this renovation is paid for, there are still enormous financial needs that we need your help to meet. At this time, we are inviting you to invest in the future of Whittier and be a part of the Central Library Renovation Campaign.

Please join the Whittier Public Library Foundation in the endeavor to give Whittier the library it truly deserves. We cannot do this alone and we are seeking financial support from our community. All donations are being accepted.

**LEGACY TODAY**

# Library of Tomorrow

The purpose of the foundation is to help secure and maintain the funding required for the Whittier Public Library to realize its mission. It seeks to do that through private and public fundraising and to serve as a conduit between the Library and the changing needs of a diverse community.

The background of the lower half of the page is a photograph of a modern library interior. It shows white bookshelves filled with colorful books, a computer monitor on a desk, and several orange plastic chairs with wooden legs. A large, semi-transparent blue rectangle is overlaid on the right side of the image, containing the text.
